In this article let me give a try to analyse the chart of Sh. Sushil Kumar, from Motihari Bihar and find out the reason for his great winning of 5 crore prize money in KBC 5 last year (2011). Based on the birth data of KBC 5 winner Sh. Sushil Kumar available in an internet based KP forum.

Date of Birth:- 22.10.1980

Place of Birth:- Motihari, Bihar

Time of Birth:- 11.29 AM

Date of winning Prize money in KBC 5 :- 25th October 2011.

Analysis on strength of lagna:-

First of all, to win in any such prestigious game show, lagna lord & lagna bhava should be strong enough. Now lagna is in Sagittarius, and 1st CUSP position is JUP-VEN-RAH , here I like to mention that, the provided TOB is 100% correct and tallying with RP BTR rules & ROO BTR rules.

Now lagna lord JUP (has no planets in its stars) signify 9,10,1,3,2 in descending order of strength, which is a clear indication of very strong lagna lord for dual ascendant Dhanu. Now lagna CSL RAH (has no planets in its stars) signify 1,2,5,6,8,9,12 as CSL of those bhavas, aside RAHU=7,8,3,9,10,7,9, so lagna bhava is only moderately strong as both 1,2,3,9,10 & 5,7,8,12 significations are there.

Clubbing both the lagna lord & lagna bhava it can well be concluded that LAGNA is of good strength for Sh. Kumar.

Analysis of winning:-

Now, to win such prize awards, money 3rd CSL should be preferably connected, 3rd CSL Ma=9,11,2,4,11,12,1,3 in descending order of strength. and SUBLORD of 3rd CSL MA is Ra(1,2,3,5,6,7,8,9,10,12) , so sublord RAHU which is the supremo to control Mars is showing 1 (self effort in competition) ,6 (winning in competition),2,8 (un-earned income), 3,5,10 (winning prize money & social respect).

So it can be said that during very birth time, prize winning and lottery & award money winning is destined for this native.

Now we should check whether the current running DBAS was favorable for him or not. As per information, he was won KBC5 on 25.10.2011, DBAS running that period VEN-VEN-MON-JUP from 16.10.2011 to 29.10.2011,

Now VEN has no planets in it stars, so VEN will signify house 10 being a CSL of that house. aside VEN= 8 (un-earned income), 10 (social prestige/status/fame), 5 (lottery/speculative gain), 6 (win in a competition), VEN is in SUN sub which will control the effects of VEN, SUN=11 (fulfilment of desire/earning money/gain), 10 (social prestige/status/fame), 4,12. So as we can see the sublord SUN also signify supporting houses 10,11 for VEN's signification of 8,10,5,6.

Therefore, we can conclude that in VEN dasha/bhukti/anthara the native will have high chance to fructify his cuspal promise of prize money winning.[as described in the earlier paragraph]

Now, MON=9,3,2,8 in the sub of MAR=9,11,2,4,12 further makes MON anthara as the winning combination in DBA, and JUP=10,9,1,3 in the sub of MER=9,10,1,3,7 also qualify for prize winning due to 1,3,10 signification.

Therefore it can be well concluded that VEN(10,8,5,6)-VEN(10,8,5,6)-MON(9,3,2,8)-JUP(10,9,1,3) DBAS is very strong for the prize winning for the native as all the planets are in favourable sub and carry the signification of 'unearned money as prize winning in a competition' in natal chart(houses 10,8,6,3,5,2,1)

Reason Why Mr. Sushil Kumar has to wait until 25.10.2011 to win such a lumpsum prize of 5 crore and become a crorepati from a poor person:-

In the natal chart 2nd CSL RAH is signifying 1,2,3,5,6,7,8,9,10,12 , which shows that native's financial condition will be poor (due to unfavourable house 5,7,8,9,12) untill some good Dasha of 2,6,10,11 signification operates and in that dasha only native's financial condition will become good (due to favourable 2,6,10 signification of 2nd CSL also) And we all know that as per KP, both dasha lord and its sublord(the controller/supremo) should be significator of 2,6,10,11 to make native rich if cuspal promise present in chart.

Now native's first dasha SAT(9,2,3,8) in SUB of MON(3,8,2,9)----> clearly not supportive of getting wealth. Next Dasha at the age of 6yr 2 months, MER(7,9,10,1,3) in SUB of KET(1/2 orb, 9,3,8)----> here sublord diverts the dasha lord and the native only get moderate wealth.

Next at the age of 23 yr 2 month, he entered KET mahadasha, KET(1/2 orb, 9,3,8) in SUB of SUN(10,4,11,12)----> here as the dasha lord Ketu itself is not supportive of wealth so sublord SUN although with favourable signification can't give high wealth.

Next comes current VEN mahadasha, VEN(10,8,5,6) in the SUB of SUN (10,11,4,12)---> here in this dasha only both dasha lord & sublord jointly signify favourable house for finance/wealth 10,6,11. So becoming rich and prize winning happens.
